## OTHER INFORMATION

### Wakeboard, Pool Gap et Jet Ski

On water, wakeboard will be in a competition as part of the European Wakeboard Masters Tour. In addition this year, a very new attraction will be presented; The Pool gap; an enormous water vat 50 meters length and 15 meters wide, provided with obstacles to carry out tricks. It is in this watery skatepark that the riders will perform spectacular manoeuvres and all directly under the eyes of the public. The competition will proceed under the eyes of the spectators only a few meters away from the banks and pool.

### WAKEBOARD & Pool Gap

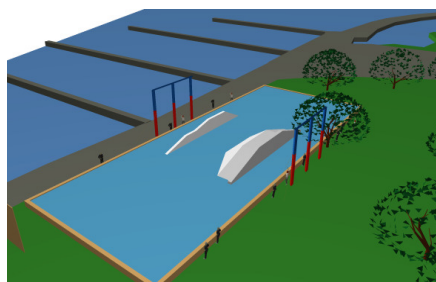

Estavayer-le-Lac and the wakeboard, is one great history of love! The city is regarded as one of the most important one of this sport in Europe since years; it has seen hatching more than one champion and accomodates for 16 years of international events gathering the cream of the discipline.

### Pool Gap – First time in Switzerland

For the very first time in Switzerland, one will be able to only attend a competition of Gap Pool, opened with the professional riders. An enormous water vat, 50 meters length and 15 meters broad, will be installed, with various modules to carry out tricks. One could consider it to be similar to that of a large watery skatepark. This new structure is impressive and allows a fantastic show by all times and directly under the eyes of the public. The competitions of Pool Gap, with its light, are programmed for Friday evening and Saturday evening (20h15 and 22h00)
