7. TRAVEL TO PRAGUE

BY PLANE

The only reasonable option is flight to Prague Vaclav Havel International Airport (PRG) with frequent connection to most European Cities and all international transfer hubs.

BY TRAIN

Prague main station (Praha hlavní nádraží) has direct international connection with major and capital cities of neighbor countries (Hamburg, Berlin, Vienna, Budapest, Bratislava, Warsaw etc.) – if traveling from the east you can also use the Praha-Liberec station – it's 5 min walking from the hotel.

BY CAR

The GPS location of the hotel is 50.104503466976084, 14.495757014274638

Parking available at the hotel garage or at the big parking garage next-door to the hotel.

Reservation request is a part of the seminar registration (see chapter 8). Estimated price is 20€ / 24 h

8. Local transportation

FROM TO/AIRPORT

TAXI – The only official transportation company of the airport is UBER Airport – you can order it from the UBER application on your phone or use the booths located at arrival hall and luggage belts hall. There are also alternative services – Bolt, Liftago – all with fixed price before getting in the car and it is strongly recommended to use the official UBER Airport or one of the alternatives (even when using the alternative, it could be a little difficult to find the pick-up spot).

PLEASE !!!: NEVER EVER USE THE OFFER OF INDEPENDENT TAXI DRIVERS CATCHING CUSTOMERS AT THE ARRIVAL HALL – the price will be not fixed and will be probably much higher than the official one.

PUBLIC TRANSPORT – In general the public transport in Prague is very safe, don't hesitate to use it.

From airport to the hotel:

1. BUS (electrical) nr. 59 from airport (station "Terminal 2" – located just in front of the arrival hall of Schengen terminal) to the terminal station "Nádraží Veveřská".
2. Change to metro (subway) line A (green) in direction "Depo Hostivice".
3. At station "Mustek" change to line B (yellow) in direction "Černý most".
4. Get off at "Českomoravská" station - the hotel is just in front of the station.

From Hotel to City/Centre – It's very convenient to use public transport. Parking in the historical city center is difficult and expensive.

Metro (subway) – Take line B (yellow) from the "Českomoravská" station in the direction to "Žličín". Get off at "Náměstí Republiky" (recommended), "Mustek" or "Národní třída".

Tram – take line 8 from the "Arena libeňská" station in direction "Nádraží Podbabská". Get off at "Náměstí Republiky" station.

Operation times of metro and trams are 5:00-24:00, average interval 5 – 10 minutes. There are also night tram lines operating all night.

Feel free to use google maps route planner for public transport – it works well in Prague.

TICKETS

Tickets can be bought at vending machines at platforms or entry halls (airport and metro) or directly on board trams and buses. In all cases payment by card is possible (on board necessary).

For traveling from airport to hotel you need the 90 min ticket for 40 CZK and the ticket is valid for 90 min from the start of the journey (transfers included). From hotel to city center the 30 min ticket for 30 CZK is enough.

Don't forget to stamp the ticket when you get on board the bus/tram or at the entry gate of the metro. You need to stamp only once, you don't stamp the same ticket again when transferring to other means (within the time period).

9. USEFUL INFORMATION

Currency – Currency in Czechia is Czech crown (CZE) the approx. exchange ratio is 1 EUR = 25 CZK. Practically you don't need to exchange the money in cash – literally everywhere you can pay by Visa/Mastercard card. If you insist on exchanging cash – please never use the airport ATM's or exchange office at the airport – it's a tourist trap and they have terrible ratios. The best way is to use any exchange office at the bank. In general exchange ratios between 24 and 26 CZK/EUR are decent.

Sightseeing - <https://www.visitpraha.cz/cz/pruvodce-praha/56/>

Trips – although Prague is an amazing city, there are a lot of other places and towns worth visiting . Ask the organizer for best suggestions.

*All prices are contracted in Czech crowns and the calculation in EUR is for your information – actual price will be calculated at the moment of reservation – it may change a little because of the CZK/EUR exchange ratio.
